## DEDICATION

We, the class of 1982, wish to thank everyone who has helped to create the many fond memories during our four year stay.

We would, however, like to especially thank Mrs. Young and Mr. Anderson for their four devoted years of time and guidance. If it were not for them, we would not have made it through the rough times of planning all the events in which we took place. Therefore, we gratefully dedicate the 1982 Archive to you.

Your friendship will always be remembered.

### FREE SPIRIT

My spirit takes flight how it soars!

How it sings! As it rides on a dream.

As it opens its wings . . . how it searches each cloud for a  
soft silver lining and follows horizons where new hopes  
are shining . . . my spirit flies high — I'm fearless and  
free — to express, to explore, to begin . . . to be me.

## CLASS MOTTO

Learn from yesterday, live for today, and hope for tomorrow.

## CLASS SONG

Let it be  
When I find myself in times of trouble  
Mother Mary comes to me  
Speaking words of wisdom, let it be  
And in my hour of darkness, she is standing  
right in front of me  
Speaking words of wisdom, let it be  
Let it be, let it be, let it be, let it be  
Whisper words of wisdom, let it be  
And when all the broken hearted people living  
in the world agree  
There will be an answer, let it be  
For though they may be parted, there is still  
a chance they they will see  
There will be an answer, let it be  
Let it be, let it be, let it be, let it be, yeah  
There will be an answer, let it be  
Let it be, let it be, let it be, let it be,  
Whisper words of wisdom, let it be  
Let it be, let it be, let it be, yeah, let it be  
Whisper words of wisdom, let it be  
And when the night is cloudy there is still a  
light that shines on me  
Shine until tomorrow, let it be  
I wake up to the sound of music, Mother Mary  
comes to me  
Speaking words of wisdom, let it be  
Let it be, let it be, let it be, yeah, let it be  
There will be an answer, let it be  
Let it be, let it be, let it be, yeah, let it be  
There will be an answer, let it be  
Let it be, let it be, let it be, yeah, let it be  
Whisper words of wisdom, let it be.

(Lennon and McCartney)

## CLASS HISTORY

In September of 1978, we, the class of 1982, opened the doors to the East Windsor High Theaters. Phyllis Barber, Craig Drake, Cheryl Teirnan, and Erica Schoenrock, took the challenge for the year ahead. With help from Mrs. Young and Mr. Anderson we started to get ready for our first show. Our directors sat down in a meeting with head executives, Mr. Philip Morton and Mr. Salvatore Saitta, to discuss the reviews on our first show. The show, "Panthers pounce their prey", ranked fourth on the charts.

It then came time to make another movie, and we elected Rosemarie Martinsen, Laurie Migneault, Cheryl Cassada, and Jenny Russell to get the show on the road. The show entitled "Panthers take it to the top", ranked second on the movie charts. But we always look for bigger and better things, so our directors decided to have a candy and stationery sale to help with pictures in the future. After the sale we were all awarded for our merit throughout the year, and we received the ring of our choice.

It was already our third year in show business and time to make another movie. Jenny Russell, Patti Hourihan, Cheryl Cassada, and Phyllis Barber were elected to direct us to a great finish. The finish wasn't too great though, our movie, "Panthers ride the winning tide" only made it to third on the charts. Because of our great efforts however, we were all invited to the celebrities banquet held at Harley Hotel in Enfield Connecticut, on May 23, 1981. Laurie Migneault was crowned movie queen at the big celebration.

We entered our fourth year knowing that we had another movie to make, but we didn't have any ideas. We knew this was it; we had to do it now or never! We elected Phyllis Barber, Laurie Migneault, Cheryl Cassada, and Roberta Huttenpiller to direct us. We needed a little more money to get us off the ground for our next movie so we sold magazines to promote the industry. We finally did it! Our fourth movie, "Panthers are great" starring the class of 1982, was a box office smash! We were invited to the executive banquet held in our honor, and we had a day off and visited High Meadows.

Then it was time for the big night. The fourth annual Grammy Awards where we all received the awards that we worked so hard to get.

We need other people, not in order to stay alive, but to be fully human: to be affectionate, funny, playful, to be generous. How genuine is my capacity for love if there is no one for me to love, to laugh with, to be trusted by? I can love an idea or a vision, but I can't throw my arms around it? Unless there is someone to whom I can give my gifts, in whose hands I can entrust my dreams, who will forgive me my deformities, my aberrations, to whom I can speak the unspeakable, then I am not human, I am a thing, a gadget that works but has no ashes.

## THINK

If you think you are beaten, you are.  
If you think you dare not, you don't.  
If you like to win but think you can't  
It's almost certain you won't.

If you think you'll lose, you've lost  
For out of the world we find  
Success begins with a fellow's will  
It's all in the state of mind.

If you think you're outclassed, you are.  
You've got to think high to rise  
You've got to be sure of yourself before  
You can ever win any prize.

Life's battles don't always go  
To the stronger or faster man.  
But sooner or later the man who wins  
Is the man who thinks he can.

### YOU ARE A FRIEND OF MINE

You are beautiful, my friend. You know and accept me as I am — all of me, and I love you for this. You have made me happy to be me and I love life more because of you.

I can be myself with you and am very happy in knowing that we experience much of the same sensitivity to the world around us. You always express how you feel to me, and so, I'm never afraid to do the same. The meaning of our friendship is found in the joy of celebrating it.

You will forever be a part of me now — for our souls have reached out and gently touched one another. I will always love you throughout my life. For you are a friend of mine . . .
